We are a Retail Bead and Jewelry Show first. Wholesale sales are conducted to qualified buyers with the proper tax resale licenses. We do not want dealers who sell wholesale to the public. We are looking for quality handmade jewelry artists, bead dealers, and some unique artists outside of beads and jewelry who would like to be a part of our show. If you feel that you have something to offer to our show other than being the cheapest in price please feel free to contact us by filling the form out below.

Please Note: This is a rain or shine event held outside. We have a shed with no walls and a large tent for those who do not have their own Easy-Up Tent. All spaces are 10'x10' with a limit of 3 spaces at 200.00 per space. We will have 2 large tents and shed available. Please let us know your space requirements.

Spaces under the shed or large tent are \$75.00 extra. We will have an artist section for dealers who really only need the use of a table with room for chairs and back table. This will allow more dealers under the larger tent. We will not guarantee a 10 x 10 space if you do not need it. NOTE: If you are a new vendor/artist space under the tent is limited. One table requests have a very good chance of being placed under our larger tents. If your space requirements are larger than that you will need to use your own easy up tent which will be placed outside the larger tents (all good locations).

Show promotion includes ads in The Bead and Button Magazine, Lapidary Journal, Antique Journals, Local Newspapers. Plus mailings to our own mailing list, The Bead and Button list, The Planters Exchange list, plus targeted mailings to certain demographics.

RULES

For the sake of brevity The Down The Street Bead Show will also be known as TDT SBS. This application shall not become effective until signed by the vendor. TDT SBS is a retail/wholesale show. All merchandise should be priced at retail. Wholesale prices can be offered to buyers with the proper resale licenses.

Sales tax must be collected by all vendors on retail sales. The vendor is responsible for obtaining all tax ID numbers required by law. The vendor is also responsible for obtaining his own permits and licenses and for paying the sales tax collected.

The vendor is responsible for obtaining his/her own insurance covering all risks. The DTSB Show is in no way to be held responsible for theft, damage, or acts of God.

The DTSB Show is not liable for injuries, accidents, or loss of any kind as a result of weather, natural disaster, mechanical, or electrical failure or loss of sales as a result of these conditions.

A minimum of 50% deposit will hold your space(s). The full amount must be paid in full one month before the show date. Our preference is that you pay the whole amount up front. Failure to make payments on time could result in the loss of your space(s) and we reserve the right to fill spaces that are not paid in full on time by someone on the waiting list. Last minute sign-ups will be charged an extra \$25.00 per table.

All show fees and deposits are non refundable.

SET-UP & BREAK DOWN TIMES

Friday set up allowed starting at 1pm. Saturday morning set up at 6am. Vendors are required to be set up and open on time. Break down begins at the exact closing hour, please not before.
